PELLAGRA AND HOOK WORM PERMANENTLY CURED

For eight years Dr. W. J. McCrary, a graduate practicing physician, has had the most remarkable success in curing Pellagra and Hook Worm disease in his practicing territory in Northern Alabama, and now these wonderful Remedies are being offered to sufferers over the entire South. Cures have been effected in the very worst stages of Pellagra and Hook Worm by Dr. McCrary's Remedies, and the cure is permanent—not a temporary relief. Patients bed-ridden and out of mind treated seven and eight years ago for Pellagra were cured in a few weeks, and are in fine health today. Hundreds of testimonials are gladly given by these patients of Dr. McCrary.

TREATMENT FREE OF CHARGE IF WE DO NOT CURE YOU. WE ALSO DIAGNOSE YOUR CASE AND ADVISE YOU FREE. WRITE FOR BOOK AND FULL PARTICULARS TODAY.

Dr. W. J. McCrary Pellagra and Hook Worm Remedies, Incorporated.

Box 168, Carbon Hill, Alabama.

AUTOMOBILE GARAGE AND PUBLIC SERVICE

Snyder is in position to boast of its ability to care for automobile ailments. The Snyder Garage is the largest establishment of its kind in Western Texas where expert repair men are continually at the command of the public.

Messrs. J. W. Couch and Guy Paxton, the genial proprietors of the Garage, have just contracted with an expert Automobile mechanic and he is now at work, thus enabling them to handle a larger range of work.

The Snyder Garage is sole agent for the celebrated Cadillac and Buick cars and have just accepted a proposition to handle the Stutz car for Townsend-Oldham & Company and public demonstrations will be made of this machine to all interested in its qualifications.

Automobile supplies and accessories are also a specialty at this well-equipped garage.

The public is cordially invited to visit our place of business, make our demonstration department your headquarters and we will take pleasure in telling you anything you want to know about automobiles and the motor car world.

Thanking you for past patronage, and soliciting a continuance of the same, we are yours truly,

THE SNYDER GARAGE
Couch & Paxton, Props.

Grand Jury Adjourns.

The grand jury adjourned yesterday afternoon, following a very strenuous session. There were six felony indictments and several misdemeanors returned.

The grand jury wound up their business late Thursday afternoon and after inspecting the court house and jail landed in a verbal report in order that they would not have to return Friday and have an unnecessary day's pay charged to the county.

An unloading of a car of the celebrated Dominion Coal. Phone 154. Jim Dawson.

GREAT POULTRY SHOW.

Dallas. The poultry exhibit at the State Fair of Texas this fall will in every way be indicative of the importance of this thriving industry. The big building at Fair Park which houses the poultry division has been thoroughly overhauled. New coops have been installed, especially the coops large enough to take care of "flocks"—a new classification this year. A flock will consist of one male and eight females. The usual goose-pen premiums are offered for individual birds and for pens. The Texas Barred Rock Club offers a special prize of \$25 this year for the best dark and light Barred Rock exhibited.

MADE-IN-TEXAS EXHIBIT.

Dallas. A new feature for the State Fair of Texas this year is the Made-in-Texas exhibit. Displays of Texas manufactured products covering more than 40,000 square feet of floor space will be a big boost for home industry. In several of the exhibits machinery will be in actual operation making the products on exhibition. Texas factory products are equal in quality, price, desirability and usefulness to those made outside the State. The Made-in-Texas exhibit was decided on to impress visitors with this fact.

POLO TOURNAMENT ASSURED.

Dallas. This city will be the Mecca of polo enthusiasts during the run of the 1915 State Fair of Texas. Assisted by Captain A. J. Edmunds, the "father of American polo," the State Fair management has arranged for a series of games to be played the first and second weeks. Crack teams from civil life and from the United States Army have already entered—some of the best players in America are assured. Polo will be played on the big athletic field at Fair Park.

Polo is a popular game with all lovers of outdoor sport. It requires courage, keen and active thought, and expert horsemanship. It is now a part of the curriculum in the mounted service of the United States Army.

SHARON

Mr. and Mrs. Woolover visited Mr. Earnest Woolover and family last Sunday.

Cotton picking is the order of the day around about here now.

We are sorry to learn that Mr. Joe Crowder is worse at this writing.

B. E. Waggoner is building more barn room on his place. Mr. and Mrs. J. A. Thompson are the proud parents of a girl baby.

Geo. Bishop and family spent Sunday with John Bishop and family.

Mrs. Geneva Thompson and Miss Jessie Minar were shopping in Snyder last Tuesday.

Mrs. Bernice Crowder is spending a few days this week with her brother, Joe Thompson and family.

Miss Agnes Van Boeder was the guest last Sunday of Miss Maudie Woolover.

Mr. and Mrs. Charlie Ikard attended church at Ira Sunday.

BLUE EYES

RETHUL

The sad news was received here Thursday night that Mrs. John Hancock who lives near Crowder had died that evening at 6 o'clock.

He seemed in the best of health Sunday. He was taken ill Tuesday and gradually grew worse. Only ill just before the end did his relatives know that blind person had set up. J. L. Hancock was born Jan. 22, 1875. In 1906 he married Miss Edith Hancock. With his family he moved to Snyder county in 1906. He was converted in 1908 and joined the Methodist church and till his death was a devoted member of the Crowder Methodist church.

Mr. Hancock is survived by a wife and five children. The oldest, Miss Lela is 14. The two boys, Clarence and Jay and three little girls, Lela Jewel and Bonnie May are left orphans.

Mr. Hancock left behind two brothers and three sisters. All of whom are living so far from here as to be unable to attend the funeral which took place Friday evening east of Snyder. Mr. Hancock was a member of the W. O. W., having joined more than a year ago.

MARK TWAIN

WORLD'S GREATEST AVIATOR TO FLY AT STATE FAIR.

Dallas. Art Smith, the most daring aviator of all time, has been engaged to make flights each day and on six nights during the run of the 1915 State Fair of Texas. This "comet of the air" has recently outdistanced Hearsey in every phase of flying at the Panama-Pacific Exposition.

At the State Fair of Texas Smith guarantees to put on all his hair-raising thrills. In his contract he promises, among other sensations, the from an altitude of about 2500 feet; roll-over loops, finishing within 200 feet following. Two straight up and over loop-the-loops in absolute succession of the ground—causing the machine to roll over sideways, wing over wing; vertical drop from about 2000 feet down to landing; wing slide in which the machine is rolled sideways until the wings point up and down, machine then falling sideways, tall slide, in which the machine is rolled sideways until the wings point up and down, machine is flown straight up until it "stalls," then falling backward tall first; looping-the-loop at 1000 feet with hands off the steering wheel and arms outstretched; and flying upside down with hands off wheel and arms outstretched.

Smith's night flights are especially sensational when he loops-the-loop not less than a dozen times, his machine all ablaze with brilliant fireworks.

A STATE FAIR PRIZE WINNER.

Dallas. "The Show Window of Texas Industries"—that's the 1915 State Fair of Texas in an nutshell. The State Fair begins Saturday, October 16, and closes Monday, October 21.

All of the important activities of the State will be represented as never before—agriculture and kindred industries; livestock and the dairy products; manufacturing—in fact, a splendid array of exhibits mirroring the progress of Texas and the advancement of her people.

The State Fair will furnish an education as practical and as broad as to appeal to all—and particularly draw this apply to the splendid exhibits now being prepared by the University of Texas, the Agricultural and Mechanical College of Texas, the College of Industrial Arts, and other educational institutions of the state.

The girls and boys of the State are interested in judging contests and in the prizes offered for boys' and girls' club work, and in the splendid building housing the textile, culinary and fine arts departments there will be much to interest the women and girls of the State.

County exhibits filling in surrounding a mammoth building, three thousand head of registered stock; twenty-five hundred blue-blooded fowls; the array of machinery and implement exhibits; an automobile show of 1916 models; a fine art exhibit valued at more than \$100,000; an industrial arts exhibit that will interest the housewife; a display showing of styles and fashions in women's wear, millinery, jewelry; in fact, something to interest every man, woman and child in the state—this gives some idea of the 1915 Exposition.

Offerings to the livestock department are the richest of any in the country. This year approximately \$10,000 in premiums and specials will be awarded for exhibits of cattle, horses, sheep and swine. All of the big organizations in the country with livestock men as members are offering special premiums. Applications for stock and swine received indicate that the display will be mammoth in proportions.

The dairy and extensive livestock will be represented in three divisions—dairy cattle, dairy demonstration and dairy products departments. These three features are of special interest to dairymen and dairy stock breeders. The awarding of the American Jersey Cattle Club's special premium for the best Jersey cow, set of six, breeder's young herd, grand champion bull and grand champion female; the twelve days' competitors dairy and the better set, and educational displays and lectures dealing with the dairy and creamery business.

A staff of experts from the A. and M. College will spend their time at the fair giving attention to helping Texas farmers with their home problems. The A. and M. exhibit for the coming fair is being entirely reorganized.
